Claymore Investments, Inc. is a financial services company offering unique investment solutions for investment advisors and their valued clients. Claymore Investments specializes in the creation, marketing, distribution and management of investment products in both traditional and alternative asset classes.

Claymore Investments, Inc. is the wholly-owned Canadian subsidiary of Claymore Group Inc., a U.S. entity. Claymore Group entities have provided supervision, management, servicing or distribution on over US\$15 billion in assets through various investment products including closed-end funds, open-end funds and exchange-traded funds.

We believe it is important for us to offer timely and innovative investment solutions and strive to bring you best-in-class asset managers. With our team of highly experienced, service oriented individuals, we vow to offer world class support of our investment solutions from thought to after-market. Claymore was formed with a focus of providing our advisors and their clients with a firm capable of bringing unique investment solutions. Claymore will continually develop and distribute innovative financial solutions for financial advisors and their clients.

The Claymore name gives you insight into who we are. In the 15th century, the Claymore sword was forged in the Scottish highlands that instantly granted its owner a dramatic battlefield advantage. Universally recognized as a symbol of prestige, it remained a sword of choice for hundreds of years.

Now, six centuries later, Claymore Group Inc. is continually generating innovative investment solutions for advisors and their clients. We believe that the journey is as important as the destination, and that's why we've assembled a team of driven professionals with integrity and industry experience. Together we are a versatile team, equipped to anticipate and swiftly respond to your needs with the service you deserve.
