

CONFERENCING SOLUTIONS

CONFERENCING SOLUTIONS PROVIDE EVERYONE WITH EASY AND EQUAL ACCESS TO INFORMATION.

FOR MORE INFORMATION, PLEASE CONTACT YOUR ACCOUNT EXECUTIVE OR CONTACT US BY:

**T: 1.877.CNW.7890
E: info@newswire.ca**

CNW can help you get the most out of your conference calls, from small meetings to large-scale announcements.

BENEFITS

- Teleconferencing allows for greater participation from all parties
- Your relationships will benefit from this improvement in communication

FEATURES

- Transcription services for a permanent and accessible record of your communication
- Real-time question and answer capability
- A communication line that maintains up-to-the minute status reports to ensure that your meeting flows seamlessly
- International toll-free numbers that make it easy and effective for long-distance participants
- A replay service enabling your call to be rebroadcast 24/7 over a toll or toll-free line
- An active voting service that provides immediate polling responses from participants
- Your call can be recorded and replayed via telephone, ordered on CD or downloaded directly
- Automated audio conferencing with simple touch-tone commands that gives you complete control of your conference
- Web meetings make it easy to share your desktop or demonstrate software over the internet
- Conference director controls that give you the chance to view participant information in real time, conduct an online chat with the conference co-ordinator or a co-presenter, and prioritize the Q & A session for greater security and direction during the meeting

CNW ADVANTAGE

CNW Conferencing Solutions are part of a complete communications package that lets you arrange your conference call, webcast and transcript quickly and easily with just one call.
